

FEDERAL RESERVE BANK OF SAN FRANCISCO
San Francisco, CA

Financial Economist

The Research Department invites applications from financial economists in the areas of financial institutions, financial markets, asset pricing, and risk management.

JOB DESCRIPTION/QUALIFICATIONS:

Economists are expected to produce high-quality research for publication in academic journals and high-level analysis for presentation in Bank publications and briefings. Excellent communication skills are essential. The Department offers an outstanding research environment. Post-doctoral academic or professional research experience is desirable, but applications from new Ph.D.s will be considered. Candidates must have legal authorization to work in the U.S. Additional information about the Research Department may be found at:
<http://www.frbsf.org/economics/>

APPLICATION PROCEDURE:

To apply, please complete an on-line application and include your curriculum vita, research papers, and letters of reference information at: www.frbsf.org/federalreserve/careers

An equal opportunity employer.

Must be a U.S. Citizen, U.S. National, or hold a permanent resident/green card with intent to become a U.S. Citizen.
